

Order of the Director of the Safety Department

Order No 2023/1

Dated 11. 8. 2023

Concerning: the use of plastic boundary chains and the prohibition of the use of warning tape for workplace boundaries and demarcation of areas on the premises of ORLEN Unipetrol RPA s.r.o.

For the purpose of unifying the rules for workplace boundaries and demarcation of areas on the premises of ORLEN Unipetrol RPA s.r.o., it is hereby ordered as follows:

Article 1

It is hereby made compulsory to use **red and white plastic boundary chains** for workplace demarcation and demarcation on the premises of ORLEN Unipetrol RPA s.r.o. With the entry into force of this Regulation, the use of red and white warning marking tapes is prohibited.

The recommended chain thickness is 8 mm.

Article 2

An exception to the obligation to use plastic boundary chains and the prohibition on the use of boundary tape for workplace boundaries and demarcation of spaces is allowed. The condition for the application of the exemption is to obtain a positive statement from the Safety Department. The request must be sent to the **Safety and Risk Prevention Department** (BOZP@orlenunipetrol.cz) of ORLEN Unipetrol RPA s.r.o.

Article 3

Failure to comply with the terms of this Regulation will be considered as a breach of the basic obligations on the part of the employee/contractor.

Article 4

The general supervision of the application of the application of the rules laid down in this Regulation shall be performed by the directors reporting directly to the members of the board of directors, each in their own area of competence.

Article 5

This Regulation is mandatory for all employees of ORLEN Unipetrol RPA s.r.o. and for employees of other organisations (contractors) carrying out work for ORLEN Unipetrol RPA s.r.o.

Article 6

The Head of the Safety and Risk Prevention Department is obliged to supervise the implementation of the obligations contained in this Regulation and to prepare a proposal for updating this Regulation if circumstances so require.

Article 7

In special cases not covered by this Order, the Director of Safety of ORLEN Unipetrol RPA s.r.o. shall decide on further action.

Article 8

1. The Order enters into force on the date of its publication.
2. The obligation to use plastic red and white demarcation chains instead of red and white demarcation warning tapes comes into force on 1 September 2023.
